## **REALZADOR DE TONER (Toner Enhancer) Code ID. 9812**

It is a mixture of solvents that when applied to brush on the films printed on parchment paper with laser printer, intensifies the toner to achieve a higher quality in the screen printing copy.

### **IMPORTANT NOTE**

- I. The inks formulated by Pintesint SAICYF must be used exclusively with the solvents and the complementary products that it manufactures for that purpose. Due to the diversity of products in the market, the company is not responsible for the use of the same from another source.
- II. The suggestions and data of this literature were elaborated in good faith, to guide the user. We recall the importance of checking the adaptability of inks and complementary products by testing before starting production. Due to the fact that the conditions of use of the products are not under our control, the present does not constitute a guarantee on the work to be done.
